**TAREA 1**

**Bob talks about his life with his girlfriend, Molly**

**Extract 0**

I remember the first time I saw Molly, I was just 22 and I was a student at the Manchester School of Art. I remember she first spoke to me because she asked me where the college café was. I showed her the way and invited her for something to drink. So, our friendship began with a coffee and a doughnut in the college café.

**Extract 1**

When I first saw her, she looked a bit taller than me because she was wearing high-heeled shoes. She's as tall as I am but she still looks taller because she is very slim and I am not. Molly has beautiful straight dark hair and she is very funny. Maybe that's why I really liked her from the beginning.

**Extract 2**

I'm a big music fan. I love pop music and I've played the electric guitar since I was fourteen and I even sing in our group whenever I have the time. I also love winter, so when it snows, I always go skiing in the mountains or go skating in the park. But I always stay at home when it rains because I hate getting wet.

**Extract 3**

Pollution worries me quite a bit, so I leave the car at home as often as I can and I go to work by bus. I never go to bed late because I usually get up at around 6 am so I make sure I'm in bed before 11 pm. I hate fast food and I try to eat three meals a day, so yes, I feel fit and healthy.

**Extract 4**

I love eating, but I'm not the kind of person who spends a long time in the kitchen. I don't look for new recipes, just easy meals to make... like salads, or pasta with tomato sauce and boiled vegetables. It's important to learn how to cook and enjoy cooking, but I'm not very good at it.

**Extract 5**

Molly and I work in the same place. Molly has had a number of different jobs, but she now works in the college office and I'm now a teacher there too, so we meet for lunch twice a week. She really likes her job. She's very sociable and she enjoys talking to the students and their parents.

## TAREA 2

### Thanksgiving

Hello everybody, today I'm going to speak about Thanksgiving traditions in the US, so I guess we could say that Thanksgiving is Part 2 of the trilogy of the end of the year holidays in the US; Part 1 being Halloween. On a typical Thanksgiving Day in the US, usually the mother of the household wakes up very early in the morning, sometimes at dawn and starts preparing the Thanksgiving dinner. This dinner consists usually of stuffed Turkey, various side dishes such as mashed potatoes, gravy, cranberry sauce, green beans, corn on the cob and the famous Thanksgiving Day dessert pumpkin pie. So during this morning of preparations you can feel the excitement building in the household. In the morning, many families across the US watch the Macy's Thanksgiving Day parade, which is broadcast live from New York on TV. And during the morning, many families receive friends and relatives over at their house for the Thanksgiving dinner, which is served usually around midday. And as you can guess, people sit down and sit down and eat together and they eat a lot. Uh, in the afternoon many, many families also once again watch TV while they're digesting their Thanksgiving dinner, and they usually watch football matches on TV. If the weather is nice, sometimes families and friends will go outside in their backyard and actually play football. Uh, sometimes in some families, uh, people will start putting up their Christmas decorations at the end of the day because Thanksgiving kicks off the Christmas season in the US. And as some of you may know, the following day, on Friday, is known as Black Friday in the US and this is the biggest shopping day in the year of the US and people start their holiday shopping for Christmas the day after Thanksgiving. Uh, and that's pretty much all I have to say about Thanksgiving. Thank you, bye.
