TASK 2

You have received an email from a friend of yours who's going to visit you in Liverpool. Answer him / her including the information that he / she **needs** from the infographic below, and remember to **explain** the **appropriate possibilities** according to the **situation given**. **Read the email carefully and answer all the questions he / she asks about the infographic and about your suggestions.**

Hi Edward,

I'm flying to Liverpool with my husband and my 7-year-old kid in a couple of weeks. Surprise! And, as you know, I'm a great fan of British music so, when we visit you, we have decided to go to the BRITISH MUSIC EXPERIENCE museum there. I'm still not sure if we should go on Monday or Thursday. Can you tell me anything about the opening days and times and the price of the tickets? By the way, it's the first time we will fly with our kid, and I believe you already have some experience travelling with yours. The thing is, you know that the time at the airport and during the flight can be really boring. Can you suggest some ideas to keep my kid entertained? Thanks in advance. We're really looking forward to being there.

Love

A
