TASK B. CO-PRODUCTION. A COMMENT.

TASK B ► Imagine your English teacher uses an online message board where students discuss different issues. On the topic of technology, one of your classmates posts the following opinion:

Honestly, I think our use of technology is getting out of hand these days. My son has just bought my 12-year-old granddaughter her first mobile phone. A little too early, if you ask me. Besides, she doesn't use proper books at school, just a stupid tablet. Can you believe what she confessed to me the other day? Sometimes teachers talk but she doesn't listen - she plays games instead. The little cheat! Not to mention our "quality time" together, which just consists of her staring at her mobile while I struggle to grab her attention.

Follow the thread and write a response to the message above giving your opinion on the subject. Write about 150-175 words.
