TASK B. CO-PRODUCTION. A COMMENT.

TASK B ► Somebody has posted the following message on social media:

Politics sucks. I don't believe in the political bullshit that comes my way. My friends are always chill when talking about any subject, but when they talk about politics they just get so mad at each other. It's like you can't even talk about politics without getting into a nasty argument. Politics can turn the nicest people into the worst people. So I never vote. Most politicians are such morons anyway.

Follow the thread and write a response to the message above giving your opinion on the subject. Write about 175-200 words.
